All inquiries, written or verbal, shall be directed only to the procurement officer reflected on Page 1 of this proposal. There shall be no communication with any other State employee regarding this RFP except with designated state participants in attendance ONLY DURING:

- Negotiations
- Contract Signing
- as otherwise specified in this RFP.

Violations of this provision by bidder or state agency personnel may result in the rejection of the proposal.

### **1.2 Negotiated Procurement:**

This is a negotiated procurement pursuant to K.S.A. 75-37,102. Final evaluation and award will be made by the Procurement Negotiation Committee (PNC) consisting of the following entities (or their designees):

- Secretary of Department of Administration;
- Director of Purchases, Department of Administration; and
- Head of Using Agency

### **1.3 Appearance Before Committee:**

Any, all or no bidders may be required to appear before the PNC to explain the bidder's understanding and approach to the project and/or respond to questions from the PNC concerning the proposal; or, the PNC may award without conducting negotiations, based on the initial proposal. The PNC reserves the right to request information from bidders as needed. If information is requested, the PNC is not required to request the information of all bidders.

Bidders selected to participate in negotiations may be given an opportunity to submit a revised technical and/or cost proposal/offer to the PNC, subject to a specified cut off time for submittal of revisions. Meetings before the PNC are not subject to the Open Meetings Act. Bidders are prohibited from electronically recording these meetings. All information received prior to the cut off time will be considered part of the bidder's revised offer.

No additional revisions shall be made after the specified cut off time unless requested by the PNC.

### **1.4 Cost of Preparing Proposal:**

The cost of developing and submitting the proposal is entirely the responsibility of the bidder. This includes costs to determine the nature of the engagement, preparation of the proposal, submitting the proposal, negotiating for the contract and other costs associated with this RFP.

## **1.5 Preparation of Proposal:**

Prices are to be entered in spaces provided on the cost proposal form if provided herein. Computations and totals shall be indicated where required. In case of error in computations or totals, the unit price shall govern. The PNC has the right to rely on any prices provided by bidders. The bidder shall be responsible for any mathematical errors. The PNC reserves the right to reject proposals which contain errors.

All copies of cost proposals shall be submitted in a separate sealed envelope or container separate from the technical proposal. The outside shall be identified clearly as "Cost Proposal" or "Technical Proposal" with the Bid Event ID / RFP number and closing date.

A proposal shall not be considered for award if the price in the proposal was not arrived at independently and without collusion, consultation, communication or agreement as to any matter related to price with any other bidder, competitor or public officer/employee.

Technical proposals shall contain a concise description of bidder's capabilities to satisfy the requirements of this RFP with emphasis on completeness and clarity of content. Repetition of terms and conditions of the RFP without additional clarification shall not be considered responsive.

## **1.6 Signature of Proposals:**

Each proposal shall give the complete legal name and mailing address of the bidder and be signed by an authorized representative by original signature with his or her name and legal title typed below the signature line. If the contract's contact will be a different entity, indicate that individual's contact information for communication purposes. Each proposal shall include the bidder's tax number.

## **1.7 Acknowledgment of Amendments:**

All bidders shall acknowledge receipt of any amendments to this RFP by returning a signed hard copy with the bid. Failure to acknowledge receipt of any amendments may render the proposal to be non-responsive. Changes to this RFP shall be issued only by the Division of Purchases in writing.

## **1.8 Modification of Proposals:**

A bidder may modify a proposal by letter or by FAX transmission at any time prior to the closing date and time for receipt of proposals.

## **1.9 Withdrawal of Proposals:**

A proposal may be withdrawn on written request from the bidder to the Procurement Officer at the Division of Purchases prior to the closing date.

## **1.10 Competition:**

The purpose of this RFP is to seek competition. The bidder shall advise the Division of Purchases if any specification, language or other requirement inadvertently restricts or limits bidding to a single source. Notification shall be in writing and must be received by the Division of Purchases no later than five (5) business days prior to the bid closing date. The Director of Purchases reserves the right to waive minor deviations in the specifications which do not hinder the intent of this RFP.

## **1.11 Evaluation of Proposals:**

Award shall be made in the best interest of the State as determined by the PNC or their designees. Although no weighted value is assigned, consideration may focus toward but is not limited to:

- Cost. Bidders are not to inflate prices in the initial proposal as cost is a factor in determining who may receive an award or be invited to formal negotiations. The State reserves the right to award to the lowest responsive bid without conducting formal negotiations, if authorized by the PNC.

The State shall not be precluded from receiving the benefits of any insurance the Contractor may carry which provides for indemnification for any loss or damage to property in the Contractor's custody and control, where such loss or destruction is to state property. The Contractor shall do nothing to prejudice the State's right to recover against third parties for any loss, destruction or damage to State property.

### **3.18 Care of State Property:**

### **3.30 Integration:**

This contract, in its final composite form, shall represent the entire agreement between the parties and shall supersede all prior negotiations, representations or agreements, either written or oral, between the parties relating to the subject matter hereof. This Agreement between the parties shall be independent of and have no effect on any other contracts of either party.

### **3.31 Debarment of State Contractors:**

Any Contractor who defaults on delivery or does not perform in a satisfactory manner as defined in this Agreement may be barred for up to a period of three (3) years, pursuant to K.S.A. 75-37,103, or have its work evaluated for pre-qualification purposes. Contractor shall disclose any conviction or judgment for a criminal or civil offense of any employee, individual or entity which controls a company or organization or will perform work under this Agreement that indicates a lack of business integrity or business honesty. Failure to disclose an offense may result in disqualification of the bid or termination of the contract.

### **3.32 Immigration and Reform Control Act of 1986 (IRCA):**

All contractors are expected to comply with the Immigration and Reform Control Act of 1986 (IRCA), as may be amended from time to time. This Act, with certain limitations, requires the verification of the employment status of all individuals who were hired on or after November 6, 1986, by the contractor as well as any subcontractor or sub-contractors. The usual method of verification is through the Employment Verification (I-9) Form.

With the submission of this bid, the contractor hereby certifies without exception that such contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the State's option, may subject the contract to termination for cause and any applicable damages.

Unless provided otherwise herein, all contractors are expected to be able to produce for the State any documentation or other such evidence to verify Contractor's IRCA compliance with any provision, duty, certification or like item under the contract.

## 4.0 SPECIFICATIONS

The State of Kansas Department for Children and Families (DCF) Office of Information Technology Services (OITS) is issuing this Firm Fixed Price, Deliverables Based Request for Proposal (RFP) to obtain competitive responses from vendors to provide CA-GEN application development services for our Child Support Services (CSS) system: Kansas Automated Eligibility and Child Support Enforcement – Child Support Enforcement (KAECSSES–CSE). Proposals shall provide a description of how the applicant will deliver the services required to meet the needs detailed in the Scope of Work below.

**4.1 Term of Contract:** The term of this contract is for from the date of award to June 30, 2015, with the option to renew for three (3) additional one (1) year periods by written agreement of the parties.

**4.2 Background/History:** DCF OITS supports the agency's Child Support Services area through multiple Information Technology (IT) systems. The primary system the successful bidder will be responsible for under this RFP is KAECSSES - CSE.

KAECSSES - CSE was originally part of the KAECSSES-Automated Eligibility (AE) system. The KAECSSES-AE system originated in Alaska. It was transferred to Arizona and customization was done for Arizona's needs. Kansas transferred the system from Arizona and did considerable enhancements for its needs. Kansas's application was originally implemented in 1988. The current KAECSSES-CSE system was upgraded and separated from KAECSSES-AE in 1999. Significant and considerable enhancements were made during the implementation of the KAECSSES-CSE system. It was built using both in-house and contract development staff. Today, it is maintained and supported by in-house and contract staff.

Currently, plans are being discussed for replacement of this system with a more modern, advanced technology system to realize cost savings through increased automation, improved customer service, improved information management, increased collections, and increased efficiency of case managers. The successful bidder will provide support for the replacement effort, as those efforts relate to the current system, as well as continuing to provide advanced maintenance and support as directed by DCF, CSS and OITS.

# State of Kansas

Department of Administration  
DA-146a (Rev. 06-12)

## CONTRACTUAL PROVISIONS ATTACHMENT

**Important:** This form contains mandatory contract provisions and must be attached to or incorporated in all copies of any contractual agreement. If it is attached to the vendor/contractor's standard contract form, then that form must be altered to contain the following provision:

"The Provisions found in Contractual Provisions Attachment (Form DA-146a, Rev. 06-12), which is attached hereto, are hereby incorporated in this contract and made a part thereof."

The parties agree that the following provisions are hereby incorporated into the contract to which it is attached and made a part thereof, said contract being the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.

1. **Terms Herein Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
2. **Kansas Law and Venue:** This contract shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit in connection with this contract shall reside only in courts located in the State of Kansas.
3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges-hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided State under the contract. State will pay to the contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by State, title to any such equipment shall revert to contractor at the end of the State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
4. **Disclaimer Of Liability:** No provision of this contract will be given effect that attempts to require the State of Kansas or its agencies to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of the State of Kansas is defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).
5. **Anti-Discrimination Clause:** The contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration; (f) if it is determined that the contractor has violated applicable provisions of ADA, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration.  
  
Contractor agrees to comply with all applicable state and federal anti-discrimination laws.  
  
The provisions of this paragraph number 5 (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the contracting State agency cumulatively total \$5,000 or less during the fiscal year of such agency.
6. **Acceptance Of Contract:** This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.
7. **Arbitration, Damages, Warranties:** Notwithstanding any language to the contrary, no interpretation of this contract shall find that the State or its agencies have agreed to binding arbitration, or the payment of damages or penalties. Further, the State of Kansas and its agencies do not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages available to the State of Kansas or its agencies at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
8. **Representative's Authority To Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.
9. **Responsibility For Taxes:** The State of Kansas and its agencies shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.
10. **Insurance:** The State of Kansas and its agencies shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require them to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), the contractor shall bear the risk of any loss or damage to any property in which the contractor holds title.
11. **Information:** No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.

12. **The Eleventh Amendment:** "The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment."
13. **Campaign Contributions / Lobbying:** Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. No part of the funds provided through this contract shall be used to influence or attempt to influence an officer or employee of any State of Kansas agency or a member of the Legislature regarding any pending legislation or the awarding, extension, continuation, renewal, amendment or modification of any government contract, grant, loan, or cooperative agreement.
